

clarisonic

From the creators of the Sonicare® toothbrush comes Clarisonic® skin care. Highlighted as one of Oprah's Favorite things, this gentle brush oscillates back and forth more than 300 times per second. It cleanses so well that products (such as vitamin C) are better absorbed, skin is softer and pores appear smaller (this is GREAT for teenage skin). It is waterproof, rechargeable and customizable and can be used in the shower, tub or sink. Available at Authentic Beauty. 4674 Roswell Road Atlanta, GA; 404-849-0443 www.authenticbeautyllc.com
